

## EXTENDED B.A. IN INTERNATIONAL AFFAIRS

HOURS REQUIRED FOR MAJOR: 18 Core + 15 POS Component + 15 Elective Component + 6 Language Requirement = **54 HOURS**

TOTAL HOURS REQUIRED FOR THE DEGREE = **120 HOURS** (NAU requires that at least 30 hours in your degree be upper-division.)

- You cannot take courses in your major discipline for Liberal Studies credit; for this purpose POS courses are considered to be in your major. You can take courses from other IA disciplines (e.g. ANT, GGR, HIS, HUM, etc.) for Liberal Studies credit.
- If a course in another discipline is accepted for both Liberal Studies and the IA Major, you can use it for both, but you can only count the hours once for Liberal Studies, and on the IA Major checklist mark it as "Meets Requirement." If "Meets Requirement" courses are used, the hours in the major can be reduced by that number to less than 54, however total hours for graduation is still 120.
- *Students graduating under the 2005-2006 Catalog (& subsequent catalogs) are required to complete 3 hours of Ethnic Diversity and 3 hours of Global Awareness courses. These courses can be used to meet other requirements within the academic plan if chosen carefully.*
- **B.A. Language Requirement:** Students must demonstrate competency in a language other than English, equivalent to 2 years of coursework (16 hours). Students may opt to take CLEP test for equivalent course credit.
